🗒 Meeting Analysis Report

1. Summary

S1 ⏱ 00:00 - 01:13

S2 "Jaller" is a fake and a fat man. Jaller is testing for his FYD project which is a meeting analysis project that can have transcription, summarization, and assignment analysis. "I want a real FYD FYD I don't sure it can be FYD or no," he says.

2. Transcript + Sentiment

00:00 - 00:06 Okay, so as you can see here is Jaller and now I want to testing for my FYD project which → *neutral (78.8%)*

00:06 - 00:17 is a meeting analysis project that can have transcription, summarization, and → *neutral (85.0%)*

00:17 - 00:34 assignment analysis and what is that and so on and different dictation yeah so → *neutral (86.1%)*

00:34 - 00:44 this meeting analysis project now I am going to testing about my recon → *neutral (89.7%)*
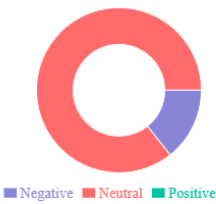

00:44 - 00:53 function to ensure it can spot PDF yeah sure so maybe data 1 2 1 2 3 1 2 1 2 → *neutral (83.0%)*

00:53 - 01:06 1 2 3 I want a real FYD FYD I don't sure it can be FYD or no okay okay so now → *neutral (61.8%)*

01:06 - 01:13 I get a fake and a fat man → *negative (90.2%)*
